Power Savers

PAPER BAG

MONSTER

puppets

SUPPLIES NEEDED:

- Paper lunch bag
- Acrylic paint (color of your choice)
- Colored paper
- Markers
- Circle punches (optional)
- Scissors & glue

Instructions -

1 - Paint the front and bottom of your paper bag with the color paint of your choice. Open the bag up for it to dry and any paint under the flap of the bag does not make the bag stick together. Let it dry completely.

2 - Using your markers, punches (if you are using punches) , and colored paper, design your monster. Be creative. Think eyeballs, teeth, pointy ears or horns, tongues, maybe even long eyelashes or arms!

3 - Glue any pieces you cut out to your painted bag once it is dry.

4 - Once your monster is finished put on a puppet show for others in your family or your friends!
