SUPPLIES NEEDED:

- Contact Paper
- Twine
- 6" Embroidery Hoop
- Scissors
- Colorful Leaves that you found outdoors

Instructions

- 1 - Cut the contact paper in half so you have two squares.
- 2 - Peel the backing off one piece of contact paper, placing it sticky side up on a flat surface.
- 3 - Place the **INSIDE HOOP** of the embroidery hoop on top of the contact paper.

- 4 - Press your favorite leaves that you found while walking outside onto the contact paper, with front sides down.

- 5 - Take the second square of contact paper and remove the backing, place it sticky side down over the leaves, smoothing as you go. Make sure to press the two pieces of contact paper firmly together. Push the paper tightly against the hoop and around the outside edges as well.

- 6 - Add the **OUTER HOOP** over the inside hoop and tighten the screw.
- 7 - Trim the edges of your contact paper. Tie a loop of twine at the screw end to use for hanging.
